

September 2022

Dear all

Welcome back to Orchestra. It is the time of year for some Orchestra housekeeping and to ask for subscriptions please. If you are new to the orchestra and not yet sure if you want to become a member, that is OK. It would be helpful to have your details and feel free to pay subs once / if you have decided to stay with us. Please follow the links below to complete the required form.

[Contact details, Gift Aid & GDPR](#)

### **Contact details**

It is really helpful for the orchestra to have your up to date contact details so that we can contact you if needed e.g. last minute rehearsal changes, missing music etc. Even if you have filled this in before, please can you fill it in again.

### **Gift Aid**

Please can you complete the Gift Aid consent form if you are willing and eligible so that orchestra can claim gift aid on your subscription. If you are not sure whether or not you have completed one, or your details have changed, please fill it in.

### **GDPR**

We are required to update GDPR permissions every 2 years. Please can you complete this form as we may occasionally wish to contact you for other reasons.
